Dear Brett

In response to your email of 9 May.

The Committee deemed that your Facebook post was inappropriate under the Club's Facebook Policy that 'Our Facebook page exists primarily for our members, the promotion of our club and highlighting the benefits of walking with a club' whereas your post promoted 'Wild' magazine and your personal website.

The final part of your post that stated that 'The full list of the *Karens* has not been uploaded to the new Shoalhaven Bushwalkers website yet but can be found at ...' was considered misleading as the Technology Team were willing to do so but not been sent a file of the *Karens* that we could upload.

The publicly stated position of the Team over the transference of files from the old site to the new one was published in the News section of both websites on December 7 and later reinforced at both the Xmas party on 13th December and the Big Day Out on 7th February.

Regards

Kynie Evison (Acting President)
